MORTON, BLISS & CO., BANKERS,

30 Broad street, New York, offer for sale the Land Grant Bonds recently held by the Union Pacific Railroad Company at the current market prices, for account of the parties who have purchased the

The Union Pacific Ratiroad, running west from Omaha, bas now been in operation as a through line, in connection with complete order, both in track and equipment, and its earnings have averaged at the rate of eight million dollars per annum. The following statement of the position of the Company is

assuming its Presidency, in Boston, March 8, 1871 :--"In taking charge of this important public highway as holders and the action of your board, I beg leave to state that, so far as my experience of over thirty years of railway life can be made useful to the Board and the shareholding intestruction and equipment of the road should be adjusted and be provided for as it matures by the actual sale of assets on hand applicable to that purpose. Both these conditions tingent wants, I accept the position, and will endeavor to nagement of the affairs of the company.

"In order that we may understand in brief form the precontinued the company I have made the following summary from the official records, as presented to me by the

price per acre, \$4 46. On account of these sales the company has re-

ceived and redeemed land grant bonds to the exturing in one, two and three years, with accruing

.. \$1,812,650

Showing an absolute reduction of.....

From which deduct amount heretofore sold.. 292,883 acres. \$23,554,284. So much thereof as may be required to be applied to the payment on redemption of the land grant bonds,

trustees to use the entire proceeds from the sale of lands in the purchase and cancelation of land grant bonds. The

authorized by an act of Congress, will greatly facilitate the

tional to transport, and therefore yielding a large percentage
